Office Memorandum • UNITED STATES GOVERNMENTTO : Mr.

DATE: 27 June 1956

25X1A9A

FROM : Chief, Budget Division

SUBJECT: Fiscal Support of the International Communism
Intelligence Program Beginning with FY 1958

1. I don't believe there are any questions which we should raise in connection with the attached paper. On the other hand, since this work on International Communism has been incorporated in the NIS Program, it seems to me that the item can be handled in the usual budgetary manner just as the balance of the NIS Program. In this case, however, when the Director originally approved operations in Fiscal Years 1956 and 1957, he indicated that this approval did not ordinarily carry with it a commitment of a contingent support of the operation. In this view it might be well to have the FY 1958 program specifically approved by him. The amount requested is reasonable in light of our earlier discussion with the State Department on this subject.
